CELEBRATE PNC 2018

CELEBRATE PNC is an annual fundraising event for the Placer Nature Center that supports our most vital programs, including:

Field Trips

We are a destination for 4,000 Placer County students on field trips annually! We also host a variety of home school programs.

Exhibits

Our exhibits - including the Nature Trails, Bee Colony, Gardens, Maidu Village and Nature Play Area give the child and adult alike insight to the natural world.

Volunteer Programs

Volunteers give hundreds of hours every year! We serve as a work-site for diverse community members.

Placer Nature Center connects families and students to the natural world through unforgettable hands-on experiences.

We are an outdoor classroom located on 5 acres in the beautiful Sierra Foothills. As a partner with local schools and organizations, we deliver the knowledge and model the behaviors that make our community scientifically literate and ecologically sustainable. We achieve this mission with our on-site exhibits, nature trail, cultural displays, and gardens. We also host classes and events like Nature Bowl and our Family Garden Series. Placer Nature Center is a non-profit agency that has been delivering programs to the community since 1991.
