

## **Job Opportunity Staff Naturalist**

**Come join the Placer Nature Center team, we are looking for a Self- motivated, high energy, passionate about the environment and children person, who will coordinate and lead our school and other educational programs.**

### **Our Mission:**

Placer Nature Center delivers community-based volunteer supported environmental education programs to children, families, schools and community groups.

The Staff Naturalist is assigned to the Placer Nature Center and reports to the Executive Director or designee. The reporting location is the Placer Nature Center Office. The position may periodically report to off- site locations.

### **Minimum qualifications:**

High School diploma or equivalent, a degree in Environmental Science or similar major is desired. Valid Class C or higher California Driver License.

### **Experience:**

A minimum of two year's work experience in the field of education, childhood development, outdoor recreational interpretation or related field is required. A bachelors or higher degree may be substituted for some work experience requirement.

### **Abilities:**

Computer and internet use, knowledge and experience with use of Google Drive and the Microsoft Office suite, Facebook, Twitter and other social media outlets.

Ability to coordinate large groups of children, teachers and volunteers.

Knowledge of the natural environment and ability to communicate that knowledge to others.

Creative thinking and ability to multi-task are desired skills.

Fingerprinting and background check will be performed for the position.

Willingness to work odd hours including some weekends.

Excellent opportunity to provide high quality environmental education to the communities of Placer and Nevada counties.

The part time position is not expected to work more than 20 hours per week.

Wage- \$13.00/hour
