

## Garden Series 2018 at Placer Nature Center

*Join the Master Gardeners and Placer Nature Center volunteers at the Placer Nature Center for a four session class in gardening. Designed for children and their parents the classes will explore the best ways to get the biggest flowers and the tastiest fruits and vegetables!*

Each class includes hands on activities and handouts, plus a take home for each child.

### Fees:

Family with 2 or less children \$10.00 per class

Family with three or more children \$15.00 per class

10% discount for advanced registration and payment of the full series.

\$2.00 discount for members

No fee for September Harvest Tea Party

Visit [placernaturecenter.org](http://placernaturecenter.org) or call 530-878-6053 for registration details

**Activity #2**                      Saturday, April 21, 2018                      10:00AM-12:00PM

### Soil Prep and Seed and Seedling Planting

We will be using rakes and garden tools getting rid of weeds and twigs in the garden sprucing it up for planting a variety of seeds! We will look under the microscopes for what lives in the soil!

**Activity #4**                      Saturday, May 19, 2018                      10:00AM-12:00PM

### Early Harvest and Summer Planting

Check out the growth from seeds planted earlier in the garden! Learn about good bugs and bad bugs! Create garden projects to attract the good bugs needed for a healthy garden.

**Activity #5**

Saturday, September 15, 2018 10:00AM-12:00PM

**Harvest Tea Party**

Come and celebrate all the work done in the PNC garden and see what grew and what we can eat! Try a new vegetable! Come and do some art work and garden projects with us!
