## Teen Volunteers Needed!

**Placer Nature Center is looking for teens to help at our Summer Day Camps!**

- Do you want to enrich your leadership skills?
- Do you want to earn community service hours?
- Do you want experience working with children?
- Do you want to have fun and learn at the same time?

If you answered “yes” to any of these questions, then consider helping out at Placer Nature Center this summer.

**Teen camp counselors** guide the camp participants through nature investigations, nature games and crafts and lead nature songs and puppet shows for the children. We will explore the foothill ecosystems so we can share Earth's natural phenomenon with younger generations!

### *Teen Training for 2019:*

**June 8, 8:30am - 1:30am (required)** Learn about camp activities, the nature trail and your role as camp counselor.
