RELEASE & EMERGENCY MEDICAL FORM

I, the parent or guardian of _____ agree to have my child participate in Placer Nature Center's Summer Camp. I assume all risks to my child associated with the program held at the Placer Nature Center (PNC). The program may include hiking and other outdoor activities. All natural areas contain animals, poisonous plants as well as other hazards. I agree to hold harmless PNC, their Board of Directors, staff, any co-sponsors or volunteers leading this activity, both personally and in their respective capacities, from and against all liability for accident or injury to my child or their belongings arising out of participation in Summer Camp. If my child should become sick or injured, and either of their parents cannot be contacted, a licensed physician has my permission to treat the sickness or injury.

Additional child information:

Please note any allergies, physical limitations or special conditions your child has that we should be made aware of:

Pick-up and Drop-off: Depending on whether you selected Camp Only or Extra Care, drop off time is at 9am or 8:30 am respectively, and pick up time is at 2pm or 2:30pm respectively, with a 15 minute grace period for each. In order to support our staff, we are implementing a fee for campers picked up late or dropped off early. We will charge \$1 per minute beyond our 15 minute grace period.

Refunds and credits: If your camper cannot attend a camp session you enrolled them in, you must contact us immediately. We can provide full refunds before June 1st, and partial refunds up to 72 hours prior to the start of the camp session. Credit can be applied to future camp sessions as space allows. While we recognize illness and family emergencies cannot be predicted in advance, our camp requires preparation, staff scheduling, and other expenses that cannot be easily recovered for last-minute cancellations and changes. By sending your registration and payment, you are committing to enrollment in camp sessions.

Photography request:

I DO I DO NOT authorize my child to be photographed or videotaped during activities for promotional materials (social media, website, brochures, newspaper articles etc.).
